THE SON KING

The Sun King 5K was originally organized and run in memory of Ernest Davidson whose life was tragically ended in 1999.

Because Ernest was an avid runner and triathlete, family and friends could think of no better tribute than to organize a race in his memory.

Last year his family decided the Sun King should be a Memorial Race to celebrate the lives of all those we have loved and lost. We particularly want to honor those who lost their lives during hurricane Katrina and its aftermath. It is our hope that families will participate and /or sponsor the Sun King 5K in memory of someone they wish to remember and honor in this way.

All monies raised from the Sun King 2005 will benefit Habitat for Humanity
