HELPING VICKSBURG RESTORE ITS BATTLEFIELD!

When Congress established Vicksburg National Military Park, it directed restoration of "the field to its condition at the time of the battle" when soldiers had a clear view of opposing lines. Currently, the park is analyzing the landscape to determine what changes are needed in order to understand how this decisive campaign unfolded. The Run Thru History will donate \$2.00 from your entrance fee to the park for battlefield restoration and maintenance efforts.

Fee includes race, beautiful new shirts, new running socks, post-race food, beverages and live music by THE CHILL.

We are grateful to everyone who helped make the Run Thru History a reality, especially the groups listed below, without whose generous support and contributions the Run Thru History would not be possible:

- Vicksburg National Military Park
- Jackson Coca Cola Bottling Company
- Bottled Water Plus
- Dirt Works of Vicksburg
- Knights of Columbus
- Vicksburg Radio Club

NOTE: MAILED ENTRIES MUST BE POST-MARKED BY MONDAY, FEBRUARY 26. PRE-REGISTRATION DEADLINE IS WEDNESDAY, FEBRUARY 28.

Vicksburg National Military Park was established in 1899 to commemorate the 47 day siege that ended on July 4, 1863, opening the Mississippi River to Union vessels, dividing the Confederacy, thus marking the beginning of the end. The race route takes you past canons, fortifications and trenches that have remained from the siege. You may also notice numerous markers that have been erected to mark the location of specific military actions and that identify the military units involved. The large, prominent marble and granite monuments were erected by the various states to recognize the efforts of their native sons. Vicksburg National Military Park is administered by the National Park Service of the Department of the Interior.
