

Registration, donation now available online

The Leonard E. Warren Melanoma Foundation is now partnering with active.com to offer online registration for the sixth annual Run From The Sun® and to accept tax-deductible donations.

"The response to the online donation feature has been tremendous," said foundation president Keith Warren. "There are a lot of people who want to contribute to our cause who aren't runners or can't be here on race day, so this is a great avenue for them to take part."

More than \$7,000 has been donated in the few weeks that the feature has been available. The foundation has set a goal of raising \$75,000 in 2009.

For those who wish to register for the sixth annual Run From The Sun, the active.com site offers the ability to pay with a credit card, a feature that has been requested in the past.

Participants may also register the traditional way via U.S. mail.
